PLEASE KEEP THIS
DOCUMENT

This policy wording, the schedule, and any endorsements together form the contract of insurance. Please read the exclusions, waiting periods, and claim conditions carefully.

Plan overview

Care Shield Plus is designed to help meet eligible medical expenses when a covered member requires treatment in a hospital or approved day-care facility.

The family shares one annual sum insured. The balance reduces when eligible claims are paid and is restored once during the policy year after the first approved hospitalization claim, subject to the conditions in Section 6.

Benefit area	What applies
Hospitalization	Covered for more than 24 hours, subject to policy terms
Day-care procedures	Covered for listed procedures that require less than 24 hours
Pre-hospitalization	30 days before admission
Post-hospitalization	60 days after discharge
Ambulance	Up to INR 5,000 per hospitalization
Room category	Single private AC room, up to INR 7,500 per day
Co-payment	10% for an insured member aged 61 years or above at admission
Deductible	Nil

Member wellness support

- Annual preventive health check-up allowance of INR 2,000 per adult member after continuous coverage of 12 months.
- Tele-consultation support through the Harborline care desk, subject to appointment availability.
- A wellness reward of up to 5% of the renewal premium may be applied for eligible activity records.

CORE PRINCIPLE

Benefits are payable only for medically necessary, reasonable, and customary expenses incurred during the period of cover, after applying the limits, conditions, and exclusions in this wording.

Definitions

Words and phrases used in this policy have the meanings given below. Where a word is not defined, its ordinary insurance meaning applies.

Term	Meaning
Accident	A sudden, unforeseen, and involuntary event caused by external, visible, and violent means.
Admission	The entry of an insured member into a hospital as an inpatient on the advice of a medical practitioner.
Day-care treatment	A medical or surgical procedure completed in less than 24 hours because of advanced technology, while otherwise requiring hospitalization.
Hospital	An institution registered under applicable law with qualified medical staff, operating rooms, and minimum bed capacity as required for the treatment provided.
Medically necessary	Treatment required to diagnose or treat an illness or injury, consistent with generally accepted medical practice and not provided mainly for convenience.
Pre-existing disease	A condition, diagnosis, illness, or related symptom for which advice, diagnosis, treatment, or medication was received or recommended before the first policy start date.
Reasonable and customary	A charge that is usual for the same treatment in the same locality and is supported by the nature and severity of the condition.
Renewal	The process by which this policy is continued for another period after payment of the renewal premium and acceptance of the renewal terms.

READING THE WORDING

The schedule records the limits selected for this policy. If the schedule and this wording differ, the schedule applies only to the extent that it specifically changes a benefit or limit.

Hospitalization benefits

The following eligible expenses are covered when an insured member is hospitalized for a covered illness or injury.

Covered benefit	Scope of cover
Inpatient treatment	Room, nursing, boarding, surgeon, anesthetist, medical practitioner, specialist, operation theatre, medicines, drugs, diagnostics, blood, oxygen, and eligible medical devices.
Day-care treatment	The procedures listed by the insurer and procedures that meet the definition of day-care treatment.
Pre-hospitalization	Medical expenses for the same illness or injury incurred within 30 days before the date of admission.
Post-hospitalization	Medical expenses for the same illness or injury incurred within 60 days after the date of discharge.
Road ambulance	Actual reasonable charges up to INR 5,000 per hospitalization, when medically required and arranged by a registered ambulance provider.
Home hospitalization	Treatment at the insured member's residence when the member cannot be moved to a hospital or no suitable bed is available, subject to prior approval.

Room and board limit

Room rent and boarding are payable up to INR 7,500 per day for a single private AC room. ICU charges are payable up to INR 20,000 per day. If a member chooses a room above the eligible category, proportionate deductions may apply to associated hospital charges, unless waived in the schedule.

PRE-AUTHORIZATION

For planned hospitalization, the member or hospital should request cashless pre-authorization at least 48 hours before admission. For emergencies, notify the claims desk within 24 hours of admission.

04

Limits and waiting periods

Some benefits have specific caps or become available only after the applicable waiting period has been completed.

Item	Limit / condition
Cataract surgery	INR 40,000 per eye, once in each policy year
Maternity - normal delivery	INR 50,000 per pregnancy, after 24 months of continuous coverage
Maternity - caesarean delivery	INR 75,000 per pregnancy, after 24 months of continuous coverage
Newborn cover	From the 91st day after birth, when the mother is covered and the birth is notified within 30 days
Ambulance	INR 5,000 per hospitalization
Hearing aids and external prostheses	INR 25,000 per member during the policy lifetime
Consumables	Covered when medically necessary and part of an approved hospitalization claim

Waiting periods

Initial waiting period	30 days from the first policy start date, except for accidental injury.
Named illnesses	24 months for listed conditions including cataract, hernia, sinusitis, piles, gall bladder disease, benign prostate enlargement, and joint replacement.
Pre-existing diseases	36 months from the first policy start date, unless a shorter period is recorded in the schedule.
Maternity	24 months of continuous coverage.

Exclusions

The following expenses and circumstances are not covered unless a specific endorsement states otherwise.

- Treatment for a pre-existing disease during its applicable waiting period.
- Investigation or evaluation without active treatment, routine health checks, and preventive examinations except where a benefit is expressly provided.
- Cosmetic or plastic surgery, except when required to restore function after an accidental injury or when medically necessary for reconstruction after cancer treatment.
- Dental treatment, spectacles, contact lenses, hearing aids, and external prostheses unless specifically covered under the schedule.
- Treatment for infertility, assisted reproduction, sterilization, contraception, or gender reassignment, except where required for treatment of a covered medical condition.
- Self-inflicted injury, attempted suicide, alcohol or drug abuse, and treatment arising from the influence of intoxicating substances.
- War, invasion, act of a foreign enemy, hostilities, civil war, rebellion, revolution, insurrection, or military service.
- Participation in hazardous sports, racing, adventure activities, or professional sporting activities.
- Treatment received outside India, unless emergency overseas treatment is specifically endorsed in the schedule.
- Charges for personal comfort items, television, telephone, attendant meals, toiletries, and non-medical services.
- Experimental, unproven, or unrecognized treatment and treatment not supported by established medical evidence.
- Expenses incurred after the policy expires or before the effective date of cover, except for eligible continuous-treatment provisions stated in an endorsement.

IMPORTANT

An exclusion applies even when the expense is included on a hospital bill. The claims team may request clinical notes, prescriptions, investigation reports, or other documents to determine whether an exclusion applies.

06

How to make a claim

Choose cashless treatment where available. Reimbursement claims may be submitted when cashless service is unavailable or not approved.

Cashless hospitalization

Step	What to do
1	Present the Harborline e-card and a valid identity document at the hospital insurance desk.
2	For planned admission, submit the pre-authorization request at least 48 hours before admission.
3	For emergency admission, notify the claims desk within 24 hours and share the admission details.
4	The hospital sends the treatment estimate and clinical records for review.
5	At discharge, pay non-covered items and any applicable co-payment. The insurer settles approved expenses directly with the hospital.

Reimbursement hospitalization

Stage	Requirement
Notification	Notify within 24 hours of emergency admission and within 48 hours of planned admission.
Submission	Submit the completed claim form and documents within 30 days of discharge.
Documents	Discharge summary, final bill, itemized bill, prescriptions, diagnostic reports, payment proof, bank details, and identity proof.
Assessment	The claim is assessed against medical necessity, policy limits, waiting periods, and exclusions.
Payment	Approved reimbursement is paid to the policyholder's registered bank account.

CLAIMS DESK

1800 222 914 | claims@harborlinehealth.in | Available 24 hours for hospitalization notifications

Renewal and policy changes

This section explains how the policy continues and how changes to covered members or contact details are handled.

Topic	Policy rule
Renewal notice	A renewal notice is sent before the expiry date. Payment must be received before the current period ends to avoid a break in coverage.
Grace period	30 days is allowed for renewal payment. Coverage for the grace period is subject to continuity terms and no claims are payable for days when the policy is not renewed.
Portability	A request to port to another health insurance product may be made at least 45 days before, but not earlier than 60 days before, the renewal date.
Adding a member	A spouse or newborn may be added subject to underwriting, premium payment, and the conditions stated in the schedule.
Change of address	Notify the insurer within 30 days of a change in address, phone number, or email address.
Cancellation	The policyholder may cancel within 30 days of receiving the policy wording if no claim has been made, subject to the applicable refund terms.

Restoration of sum insured

The annual sum insured is restored once after the first approved hospitalization claim in a policy year. Restoration applies only to subsequent hospitalization claims and cannot be used for the same continuous hospitalization or to meet a deductible, co-payment, or excluded expense.

CONTINUITY
MATTERS

Waiting-period credit, no-claim benefits, and covered member continuity depend on uninterrupted renewal and timely disclosure of material changes.

08

Service and grievance redressal
